

**Education**      **Bachelor of Science in Art Education**, Miami University, Oxford, Ohio  
**Teaching Certification:** Art K-12, Spanish/ESL, Indiana University, Bloomington, Indiana  
Student taught in Costa Rica for Spanish/ESL  
Video Documentary Certificate, University of Washington, Seattle, WA

**Experience**  
May 2006 to present      **Freelance Designer, Telluride, CO**  
Create print and web pieces for Frank Lloyd Wright Preservation Trust, AhHa School for the Arts, Telluride Watch, Groundwire.org, Telluride Film Festival, and author David Kinney.  
See mollyp.com for complete freelance portfolio.

September 2005  
- May 2006      **Graphic Designer, Telluride Watch, Telluride, CO**  
Created client ads, logos, and page lay-out for newspaper and special publications such as Shelter Magazine and School Watch; redesigned Restaurant Guide and maintained weekly restaurant features.

October 2002  
- August 2004      **Graphic Designer, Fort Wayne & Bloomington, IN**  
Worked as designer while earning second bachelors degree for two non-profit organizations, The Cinema Center and Buskirk Chumley Theater. Created all print and web in-house marketing materials, assisted in web site design; sold, designed and maintained on-screen advertising contracts, wrote corporate and non-profit sponsorship proposals and assisted with fund-raisers.

December 1998  
- February 2002      **Graphic Designer, InfoSpace Inc, Seattle, WA**  
Designed and created online graphical user interfaces for InfoSpace marketing, advertising sales, web development and its partners. Supported marketing efforts with effective promotions including banner ads, splash screens, promotional web interfaces and printed corporate material.  
Developed iconography for wireless and PDA devices.

September 1994  
- June 1997      **Middle School Art Teacher, TOPS, Seattle, WA**  
Developed art curriculum for grades 6-8 which focused on a wide variety of media (painting, drawing, sculpture, ceramics, video and commercial art) as well as self-expression, reflection and field experiences. Developed walking tours of Seattle's downtown public art and University of Washington campus sculpture. Toured and prepared curriculum for The Seattle Art Museum, Henry Art Museum, Burke Museum and The Frye.

August 1992  
- June 1994      **High School Art Teacher, Homestead High School, Fort Wayne, IN**  
Taught photography, video production, art history and beginning drawing/design classes to 9-12 graders. Developed more in depth video production curriculum dealing with film criticism and history. Toured and prepared curriculum for exhibits at the Fort Wayne Art Museum and Chicago Art Institute. Created a walking tour of Fort Wayne's churches for art history students.

**Computer Skills**      CS 4 Creative Suite, Dream Weaver, Microsoft Office  
Taught adult courses in Photoshop & digital photography  
Experience with digital video camera shooting and editing equipment:  
iMovie/DVD and Final Cut Pro
